

Using Zoom

UPDATE:

REGULAR ATTENDERS ONLY NEED TO REQUEST TO ATTEND AS WE ALREADY HAVE ALL YOUR DETAILS.

Deadline for requests to attend is 5.00pm on Sunday

Our by now regular worship gathering via Zoom will take place on Sunday at 7.00pm. I think everyone has now found the mute button but we must remember to be muted unless we have been invited to say something as Zoom responds to any noise. The use of chat for prayers has developed and will now be recorded and sent to all those who ask to join so it can be used in prayers the following week.

We are still learning lessons. Once again we will be singing, I've called it "Duets with Jason". As we will all be muted except Jason you can then sing along at home at whatever volume you want! If you have a hymnbook to hand it would be helpful although we will try to get the words up as well, however, this may be more complicated.

We can still only admit 100 devices at any one time. We have been able to accommodate everyone who has applied so far so we haven't increased the number available. We will continue to monitor the situation but please use the form at the bottom to sign up.

Those who have attended before simply need to email requesting the codes.

If, however, you are attending for the first time then you will need to complete the form below.

Please copy the details below into an email and send to: lancashiredistrictzoom@aol.com
